Professional Profile

Senior plastic and reconstructive surgeon with 40+ years of clinical practice across Italy and the UAE. Combines high-volume aesthetic surgery with complex reconstructive work, including **hand trauma, congenital malformations** (including cleft lip), and post-traumatic reconstruction. Internationally trained with clinical experience in **Brazil** and the **United States**, and long-standing leadership in hospital settings.

Core Expertise

- **Facial aesthetics:** facelift (face & neck), blepharoplasty, rhinoplasty, chemical peeling
- **Breast surgery:** augmentation, reduction, mastoplasty, breast reconstruction
- **Body contouring:** abdominoplasty (tummy tuck)
- **Congenital & reconstructive:** congenital malformations (incl. cleft lip), scar revisions, skin grafts, local flaps
- **Hand & trauma:** hand trauma management and reconstructive procedures
- **Advanced techniques:** tissue expanders, microsurgery

Professional Experience

Consultant Plastic Surgeon — RAK Hospital (Ras Al Khaimah, UAE)

Jan 2017 – Jan 2026

- Consultant practice covering **aesthetic and reconstructive surgery** within a multidisciplinary hospital environment.
- Managed a broad caseload including:
 - **Hand trauma**
 - **Congenital malformations**, including **cleft lip**
 - Facial and body aesthetic surgery (including **rhinoplasty, facelift, mastoplasty, abdominoplasty**)
- Delivered full peri-operative pathway: patient assessment, surgical planning, operative care, and follow-up.

Chief Plastic Surgeon — Park Hospital (Naples, Italy)

Sep 1995 – Present

- Leads plastic surgery activity, overseeing clinical decision-making and surgical standards.
- Performs a wide spectrum of cosmetic and reconstructive procedures.
